

**Farmington Area Public Library District
Building and Grounds Committee Meeting
Tuesday, December 9, 2025, at 5:30 p.m.**

The meeting started at 5:32 p.m.

Committee Members Present: Linda Bearden, Maggie Connell, Nick Hoffmann.
Also present: Director Rebecca Seaborn and Recording Secretary Jeanne Thomas.

Trustee Bearden moved to approve the agenda. Trustee Hoffmann seconded.
There was unanimous approval.

Director Seaborn updated the committee members on her latest telephone conversation with Nate Parrott from Hutchinson Engineering Inc. She also handed out a picnic table chart showing how many picnic tables fit under each size of shelter.

Per their conversation, Nate will be requesting a quote from Poligon for a 30 x 44 pavilion with a side gable and stained tongue and groove for the underside of the roof. He will also be requesting color samples to help the committee decide on colors. Nate also suggested having the two electrical cutouts on opposite ends of each other for running extension cords/power strips in the future.

Director Seaborn told Nate where the committee wanted the sidewalk to be located. She also expressed her desire for a future sound garden. It was decided to add a 12-foot concrete extension to the south end of the pavilion to allow for this and a couple of benches. There will be 6 feet additional concrete around the rest of the pavilion allowing for overflow during programs.

A vote on size and cost will be taken during the regular board meeting starting at 6 p.m.

The meeting adjourned at 6:07 p.m.

Respectfully submitted,

Jeanne M. Thomas
Recording Secretary
